

HIGH SCHOOL! DRAMA!

SOCIAL CLIMBING. SCANDAL. SCHOOL RIVALRY.

Re-imagine your own high school experience or try to recreate your favorite television show or teen movie by getting into character and embellishing the overarching storyline you create in the game: social climbing, scandal and school rivalry...and that's just freshman year!

Series/Type: Family Card Game

High School Drama is a comedic power structure building game with strong role-playing elements. Players take on the roles of students vying for control of the most powerful clique in school. Each semester, players will draw action cards into their hand and then play two cards to expand and defend their own clique while at the same time trying to end the social lives of their rivals. At the end of the game players burn off the bonds they've built to gain yearbook signatures; the player with the most signatures wins!
