

SHADOWRUN

WAR!

Deep Shadows Sourcebook
 ISBN: 978-1-934857-68-7
 MSRP: \$29.99
 Pages: 192
 Catalog #: CAT26206
 Release: Q4 2010

Compatibility: Requires *Shadowrun, Fourth Edition*; the first in a new line of **Deep Shadows** books that immerses players and gamemasters in the Shadowrun setting through location details, new gear, plot hooks, and game rules.

Selling Points:

- Details a new war erupting between Amazonia and Aztlan, advancing the Shadowrun metaplot through conflict between these long-feuding nations.
- Provides setting details of the feral city of Bogota, including history, important locations, and fascinating characters.
- Describes new, cutting-edge equipment developed in the war zone that Shadowrun players will covet.
- Offers rules for players and gamemasters who want to introduce war elements to their campaigns.

Target Market:

- Current Shadowrun players and gamemasters.
- Shadowrun fans interested in keeping up with the game world's background and developing storyline.
- Any role-playing gamers looking for information to use in campaigns set in a war zone.

Up-Sells & Cross-Sells:

- *Ghost Cartels* [CAT26302]
- *Feral Cities* [CAT26202]
