JIHAD HOT SPOTS: 3076

Nine years since the death of the Second Star League, the Word of Blake's holy war against all of humanity rages on. But new heroes and new alliances have been forged between interstellar nations of the Inner Sphere and the Clans, setting aside centuries of distrust and hatred to unite as never before against the common enemy. Emerging from shattered realms, the allied coalition has finally found the strength to turn the tide, and now the Word and its allies are on the defensive. But even as the allies prepare for the inevitable battle, the Word's unseen Master and his fanatical minions won't fall without a fight!
